“Style is an expression of your individuality,” says wardrobe stylist April Steiner. A native New Yorker and SUNY New Paltz graduate, Steiner currently resides in Los Angeles. Her experience with styling ranges from red carpet events, premieres, and movie junkets to styling for top television shows, magazines, advertisements, and music videos. She has also been known to work with anyone who needs style guidance and image development, from cleaning out your closet to doing your personal shopping. Always sweet and friendly, Steiner’s warm demeanor is always welcoming and her styling advice is impeccable. "I absolutely adore making people look, and most importantly, feel beautiful and comfortable," she says.

Steiner has worked with top celebrities such as Katie Holmes, Nicole Richie, Hugh Laurie, Rachel Bilson, Matthew Perry, America Ferrera, and many more. Her work can also be seen in magazines such as InStyle, Marie Claire, Maxim, and LA Confidential. Her work has been shot by top photographers Jeff Vespa, John Russo, Lionel Deluy, and Jeff Lipsky, just to name a few. It is a beautiful and rare thing when one can take their passion and turn it into their career; Steiner feels truly blessed to be so fortunate.
